

Application No. 10/808,994
Amendment Dated August 19, 2005
Reply to Office Action of July 28, 2005

REMARKS

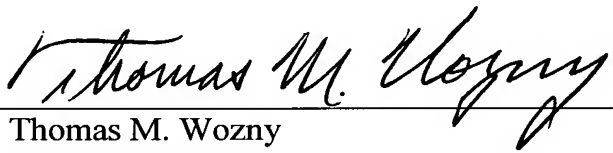

In the Office Action dated July 28, 2005, claims 1-22 as originally filed were subjected to a restriction/election requirement by the Examiner. The Examiner indicated that Applicant must elect one of seven different species for searching and further prosecution.

Accordingly, Applicant herein elects the species of Figures 1-3. Further, Applicant herein states that claims 1-4 and 12-16 are readable thereon. Accordingly, claims 5-11 and 17-22 have been withdrawn from further consideration. However, Applicant reserves the right to rejoin these claims upon the allowance of a generic claim by the Examiner.

Examination on the merits of claims 1-4 and 12-16 is herein requested.

Respectfully submitted,
